1. Activities with your sponsoring firm

Instructions: Describe all of your roles and responsibilities with your sponsoring firm, whether these roles and responsibilities are securities-related or not (e.g., sale of securities, review of marketing materials, IT help desk, negotiation of employment contracts, sales of banking and insurance products and services). Include any other information about your position with your sponsoring firm that is relevant for the regulator or, in Québec, the securities regulatory authority to know (e.g., if your role is specialized). For example, if you are applying as an advising representative limited to client relationship management, indicate this by including the following statement in Schedule D: "Individual is seeking registration as CRM AR."

Complete a Schedule D with respect to your roles and responsibilities with your sponsoring firm.

2. Reportable outside activities

Instructions: Consider all of the activities that you participate in outside of your sponsoring firm, whether or not you receive compensation for such activities and whether or not any such activity is business-related. Activities performed for an affiliated entity are considered activities outside of your sponsoring firm. If any of the categories below describes one or more activities that you participate in, complete a separate Schedule D for each activity or entity. If multiple activities are performed for one entity, complete a single Schedule D identifying all the activities performed.

Uncompensated activities that do not fall within Categories 1 to 5 (i.e., generally activities that do not involve securities or financial services and are not a position of influence, such as being a little league soccer coach) are not reportable.

Category 1 - Activities with another registered firm

Instructions: Report activities with registered firms, other than your sponsoring firm. All activities in this category are reportable, whether or not you receive compensation for such activities. Major shareholder means a shareholder who, in total, directly or indirectly owns voting securities carrying 10 percent or more of the votes carried by all outstanding voting securities.
