Order No. 7632

Coordinated Blanket Order 13-932

Re Exemptions from certain filing requirements in connection with the launch of the System for Electronic Data Analysis and Retrieval +

WHEREAS

- (A) The Director applies to The Manitoba Securities Commission (the Commission) for an order exempting issuers from certain filing requirements in connection with the launch of the System for Electronic Data Analysis and Retrieval +.

Definitions

- (B) Terms defined in the *Securities Act* (Manitoba) (the Act) and National Instrument 14-101 *Definitions* have the same meanings in this order.

- (C) In this order:

“cutover end date” means the earlier of the date on which SEDAR+ becomes available for filing and July 28, 2023;

“cutover period” means the period beginning on July 21, 2023 and ending on the cutover end date;

“deferral blanket order” means Coordinated Blanket Order 13-931 *Exemptions from certain filing requirements in connection with the deferred launch of the System for Electronic Data Analysis and Retrieval +*.

Background

- (D) The National Systems Renewal Program is an initiative of the CSA that will replace existing CSA national systems with a centralized system, the System for Electronic Data Analysis and Retrieval + (SEDAR+). The first phase of SEDAR+ will replace the System for Electronic Document Analysis and Retrieval (SEDAR), the National Cease Trade Order Database, the Disciplined List, and certain filings in the British Columbia Securities Commission’s eServices system and the Ontario Securities Commission’s electronic filing portal.
- (E) On June 1, 2023, the CSA announced that the launch of SEDAR+ would be deferred.
- (F) On June 9, 2023, National Instrument 13-101 *System for Electronic Document Analysis and Retrieval (SEDAR)* was repealed and National Instrument 13-103

System for Electronic Data Analysis and Retrieval + (SEDAR+) (NI 13-103) was adopted. NI 13-103 requires a person or company to transmit through SEDAR+ certain documents required or permitted under securities legislation to be filed with or delivered to a securities regulatory authority or regulator. The deferral blanket order provides exemptions from certain requirements of NI 13-103 to address the deferral of the launch of SEDAR+.

- (G) The CSA intends to launch SEDAR+ on July 25, 2023. In order to accommodate the transfer of required system data, neither SEDAR nor SEDAR+ will be available for filing during the cutover period.
- (H) During the cutover period, a person or company will not be able to comply with the requirement in NI 13-103 to file a document with, or deliver a document to, the securities regulatory authority or regulator by transmitting it through SEDAR+ and with the conditions of the exemptions in the deferral blanket order to transmit a document through SEDAR.
- (I) This order does not relieve a person or company from any requirement under securities legislation to issue a news release or deliver a document to securityholders.
- (J) The Commission is of the opinion that it would not be prejudicial to the public interest to make this order and there is adequate justification to do so.

Order
