MRRS Decision Document

**Background**

¶ 1 The local securities regulatory authority or regulator (the Decision Maker) in each of the Jurisdictions has received an application from the Filer for a decision under the securities legislation of the Jurisdictions (the Legislation) for an exemption from the requirement under the Legislation to offer identical consideration (the Identical Consideration Requirement) to all the holders of the same class of securities that are subject to a take-over bid (the Requested Relief).

Under the Mutual Reliance Review System for Exemptive Relief Applications

(a) the British Columbia Securities Commission is the principal regulator for this application, and

(b) this MRRS decision document evidences the decision of each Decision Maker.

**Interpretation**

¶ 2 Defined terms herein contained in National Instrument 14-101 *Definitions* have the same meaning in this decision unless they are defined in this decision.

**Representations**

¶ 3 This decision is based on the following facts represented by the Filer:

1. the Filer is a company existing under the *Business Corporations Act* (British Columbia);
2. the Filer's head office is located in British Columbia;

3. the Filer is a reporting issuer in British Columbia, Alberta, Manitoba, Ontario and Québec and is not in default of any of the requirements of the Legislation;
4. the authorized capital of the Filer consists of an unlimited number of common shares (the Filer's Shares), of which, as of July 20, 2006, there were 80,915,671 Filer Shares outstanding;
5. the Filer's Shares are listed on the Toronto Stock Exchange (TSX);
6. on July 24, 2006, the Filer issued a press release announcing its intention to make an offer (the Offer) to acquire all of the outstanding common shares (Contact Shares) of Contact Diamond Corporation (Contact);
7. Contact is a company existing under the *Business Corporations Act* (Ontario);
8. Contact's head office is located in Ontario;
9. Contact is a reporting issuer in all provinces and territories of Canada and, to the knowledge of the Filer, is not in default of any of the requirements of the Legislation;
10. the authorized capital of Contact consists of an unlimited number of Contact Shares;
11. the Contact Shares are listed on the TSX;
12. to the knowledge of the Filer, after reasonable inquiry, as of June 7, 2006, there were 43,873,365 Contact Shares outstanding, of which 3,473,309 (approximately 8%) were held by U.S. residents (Contact US Shareholders);
13. under the terms of the Offer, each holder of a Contact Share resident in Canada will receive consideration per Contact Share of 0.36 of a Filer Share, subject to adjustment as described in the Offer;
14. the Filer's Shares issuable under the Offer will not be registered or otherwise qualified for distribution under the securities legislation of the United States; the delivery of the Filer's Shares to Contact US Shareholders, without further action by the Filer, could constitute a violation of the laws of the United States;
15. the Filer proposes to deliver to the depositary under the Offer (the Depositary) the Filer's Shares which Contact US Shareholders would otherwise be entitled to receive under the Offer; the Depositary will sell those Filer's Shares by private sale or on any stock exchange on which the Filer's Shares are then listed after the payment date for the Contact Shares tendered by the Contact US Shareholders under the Offer; after completion of the sale, the Depositary will distribute the aggregate net proceeds of the sale, after expenses, *pro rata* among the Contact US Shareholders that tendered their Contact Shares under the Offer;

16. if the Filer increases the consideration offered to holders of Contact Shares resident in Canada, the increase in consideration will also be offered to Contact US Shareholders at the same time and on the same basis;

17. any sale of the Filer's Shares described in paragraph 15 above will be completed as soon as possible after the date on which the Filer takes up the Contact Shares tendered by the Contact US Shareholders under the Offer and will be done in a manner intended to maximize the consideration to be received from the sale by the applicable Contact Foreign Shareholder and minimize any adverse impact of the sale on the market for the Filer's Shares; as soon as possible after the completion of the sale, the Depositary will send to each Contact US Shareholder a cheque equal to that Contact US Shareholder's pro rata share of the proceeds of the sale, net of sales commissions and applicable withholding taxes;

18. the takeover bid circular to be prepared by the Filer and sent to all shareholders of Contact will disclose the procedure described in paragraph 15 to be followed for Contact US Shareholders who tender their Contact Shares to the Offer; and

19. except to the extent that relief from the Identical Consideration Requirement is granted, the Offer will comply with the requirements under the Legislation concerning take-over bids.

### **Decision**

¶ 4 Each of the Decision Makers is satisfied that the test contained in the Legislation that provides the Decision Maker with the jurisdiction to make the Decision has been met.

The decision of the Decision Makers under the Legislation is that, in connection with the Offer, the Requested Relief is granted so that Contact US Shareholders who tender their Contact Shares to the Offer receive instead cash proceeds from the sale of the Filer's Shares in accordance with the procedure set out in representation 15.
